For the rapid Cure of COUGHS, COLDS, HOARSENESS. BRONCHITIS, WHOOPING-COUGH. CROUP, ASTHMA, AND CONSUMPTION.

CONSUMPTION.

A MONG the numerous discoveries coience has made in this generation to facilitate the business of life—increase its on joyment, and cane prolong the term of human xistence non can be named of more real value to manifud han this contribution of Chemistry to the healing art. A cast trial of its virtues throughout this broad country, has roven beyond a doubt, that no medicine or cambination of nedicines yet known, can so surely control and cure the immerous varieties of pulmonery diseases which have hither to weep from our midse thousands and thousands every ear. Inseed, there is now abundant reasen to believe a emedy has at length been found which can be relied on to mare an end dangerous affections of the lungs. Our space fore will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American 2-manse which he agent below named, will always be pleased to furnish ree. Wherein are full particulars, and indisputable proof of hese statements:

"These statements:

"These of Transportation, awrens R. R. S. C. Aug. 4, 1853.

Da. J. C. Aver, Dear Sir.—My little sen, four years old, as just recovered from a severe attack of malignant Searlet ever, his throat was rotton, and every person that visited him pronounced him's dead child. Having used your Cherry rectoral in California, in the winter o' 1850, for a severe stack of Bronchitis, with entire success. I was induced to revit on my little boy. I gave him a tenspoonful every three iours, commencing in the winter or 1850, for a severe ittack of Bronchitis, with entire success. I was induced to revit on my little boy. I gave him a tenspoonful every three iours, commencing in the morning, and by two 'clock at a ghs, I found a decided change for the better, and after shoes any use, he was able to eat or drink without pais.

It use in the above named disease will save many a child rom a promainre grave, and relieve the anxiety of many and parent. Fer all

P. S. Almost any number of certificates can be sent you i you wish it.

Windsor, C. W. Jupe 28, 1852.

Dr. J. C. Ayen, Sir—This may certify that I have used your Cherry Pectoral for upwards of one year and it is my incers belief that I should have been in my grave ere this ime if I had not. It has cured me of a deagerous effection if the lungs, and I do not overstate my convictions when it cell you it is a priceless remedy.

Yours very respectfully.

Dr. J. C. Axen. My dear Sir—Your medicine is much approved of by those who have used it here and its dow position is such as to insur and maintain its reputation. I invariably recommend it for pulmonary affections, as do many equipments of the converse of the con
